

Défi rouge :

The script is divided into two parts:

- Initial Trigger:** When the green flag is clicked, costume 11 is displayed.
- Space Key Press:** A loop of 10 actions:
 - Wait 1 second
 - Switch to costume 9
 - Play sound 'pop'
 - Wait 1 second
 - Switch to costume 8
 - Play sound 'pop'
 - Wait 1 second
 - Switch to costume 7
 - Play sound 'pop'
 - Wait 1 second
 - Switch to costume 6
 - Play sound 'pop'
 - Wait 1 second
 - Switch to costume 5
 - Play sound 'pop'
 - Wait 1 second
 - Switch to costume 4
 - Play sound 'pop'
 - Wait 1 second

A red arrow labeled "suite" points to the continuation of the script:

- Switch to costume 3
- Play sound 'pop'
- Wait 1 second
- Switch to costume 2
- Play sound 'pop'
- Wait 1 second
- Switch to costume 1
- Play sound 'pop'
- Wait 1 second
- Switch to costume 10
- Play sound 'bip.mp3'

Ce script consommant moins de blocs peut être utilisé à condition que les costumes soient bien classés dans l'ordre chronologique d'apparition

The optimized script consists of:

- When the green flag is clicked, display costume 11.
- When the space key is pressed:
 - Repeat 10 times:
 - Wait 1 second
 - Next costume
 - Play sound 'pop'
 - Play sound 'bip.mp3'
